

JOB OFFER

Family Medicine in Sweden

THE JOB

Vårdcentralerna Bra Liv group in Jönköping region runs 33 clinics. Currently they are looking for new GPs. The job offers are in small and medium size places.

You would be responsible for patients from 0-115 years with different diagnoses.

As a GP you are the first level of care and should be able to assess what you and your team are going to treat and what should be passed on to specialist care. Your tasks would include: seeing patients at the primary care center, teaching resident doctors, life-oriented prevention work.

Collaboration with other occupational categories at the primary care center in diagnostic teams and with other authorities in matters such as home care, sick leave, unemployment, social services are common.

Working hours are full time- 40 hours/week and the most common working time is 8-17 (may change in the future). The introduction 3-month period will be at Nässjö Education Center 3 days/week. Later on, there will be also a 5-month service at various clinics at Eksjö Hospital to create networks with colleagues and learn more.

CONDITIONS

1. Permanent contract after obtaining the Swedish medical license.
2. Training courses within working hours.
3. Salary would be 45 000 SEK/month during the introduction period and later it will increase.

REQUIREMENTS

1. Specialist title in Family Medicine.
2. Availability to complete the intensive language course.
3. Team spirit and ability to work with different patient categories.
