# Psychiatry position in Sweden

### THE JOB

Capio Psychiatry clinic in Norrköping is looking for an adult psychiatrist with the following responsibilities:

- Assess and diagnose patients.
- Treat patients, primarily pharmacologically, and initiate further treatment efforts from other occupational categories.
- Responsible for sick leaves, certificates etc. when this is responsibility of a psychiatrist.
- Responsible for being available at the treatment conference and PAL time for other employees who wish to have a dialogue with doctors.
- Actively participate in the treatment conference and independently assess the need for medical assessment for all patients being discussed there.
- Supervise resident psychiatrists.

Capio is a specialist psychiatric clinic that attends patients with mental health problems that fall within the scope of specialist psychiatry, such as psychosis disease, bipolar disorder, ADHD and borderline / emotionally unstable personality disorder, eating disorder and addiction. Another example is serious anxiety and / or depression, treated in primary care but without major results.

Capio offers outpatient care during the day. The care provided includes both emergency care and planned care. The receptions are located in Linköping and Norrköping and we work on behalf of Region Östergötland.

The very personal approach is important to Capio, given the many treatment methods that exist in today's healthcare. The goal of Capio is to achieve the best possible quality of life for each individual patient. The main values are quality, compassion and care.

### SALARY & CONDITIONS

- Introduction salary: 58.000 SEK, and specialist salary from 68.000-72.000 SEK/month
- Full time employment 40 hours per week
- Permanent contract after 6 months trial period and obtaining the licence
- Duties will be paid apart
