

Job offers for specialists in Family Medicine in South-Sweden

A county council in the South of Sweden is offering employment for specialists in family medicine in primary care centres in different clinics. The primary care centres are modern and well equipped. Usually the team of a primary care centre has approximately 20-40 employees, including family doctors, nurses, physiotherapists, laboratory staff and assistants. There is a close collaboration with the hospitals in the region, which are part of the same public health care organization.

The offer:

- Permanent contract after six months.
- Training courses within working hours.
- Help to find: apartment, school and kindergarten.
- Study tour to Sweden, after a first interview, to learn more about the region and the work environment.
- Assistance with removal and relocation costs.
- Intensive Swedish course, also for the partner.
- A scholarship for the Swedish course of 700 Euros monthly net, a supplement for children of 70 Euro monthly net, free apartment and travel costs for the family.

Requirements:

- Specialist title in Family Medicine.
- Be able to complete the Swedish intensive course.
