

Staff specialist in Gastroenterology:

A vacancy as a staff specialist in gastroenterology is open in a hospital in the Southern part of Denmark.

The hospital:

The hospital cooperates with the other hospitals in the region to ensure the best possible treatment and care for patients. It also works with the municipalities to ensure consistency in the patients' meeting with health care. It is also one of Southern Denmark's largest educational institutions and has students from a wide range of medical subjects.

A new hospital is on the way

The hospital has just finished first fase of the new hospital structure consisting of a new emergency hospital, a hospital and a same day surgery hospital. In the near future new buildings will arise and others will be reconstructed.

We expect that:

- You are a specialist doctor in Gastroenterology
- You have interest in teaching young doctors
- You are interested in outpatient care
- You are passionate about your work
- You are committed and dynamic and have good interpersonal skills
- You are development-oriented and interested in evolution of the clinic

We offer:

- Being part of a newly built hospital with modern equipment.
- Good working conditions; Six weeks paid holiday per year. 37-hour working week.
- Cheap housing via the hospital.
- Kinder garden open 24/7 very close to the hospital.
- Permanent contract after six months.
- Training courses within working hours.
- Help to find: apartment, school and kindergarten.
- Study tour to Denmark after a first interview, to learn more about the region and the work environment.
- Assistance with removal and relocation costs.
- Intensive Danish course, also for partner.
- A scholarship for the Danish course of 700 EUR monthly net, a supplement for children of 70 EUR monthly net, free apartment and travel costs for the family.

Requirements:

- Specialist exam in gastroenterology.
- Experience as a gastroenterologist.
- Ability to complete the Danish intensive course.
