

Job offer for Anaesthesiologists, Denmark

A vacancy as a staff specialist in Anaesthesiology and ICU is open in a public hospital in the Southern part of Denmark. The hospital has a generous policy regarding further training and participation to conferences. The doctor will also be involved in the training of resident doctors and in the further development of the department

Offer:

- Permanent contract after 6 months.
- Training courses within working hours.
- Attractive salary, with progression depending on experience and language level. Duties are paid separately.
- Assistance with removal and relocation costs.
- A free language course program, which will take you to level B2 in Danish. Partners are also offered a language course.
- Scholarship for the Danish course of 700€ monthly net, a supplement for children of 70€ monthly net, free apartment and travel costs for the family.

Requirements:

- Specialist title in Anaesthesia and Intensive Care recognised in the EU.
- 3 years experience as anaesthesiologist and intensive care doctor.
- High level of English.
- Availability to complete the Danish intensive care (B2 level).

All the services of MediCarrera are free of charge for the candidates.
