

## Staff specialist in Ophthalmology in Norway

### Hospital 1:

A vacancy as a staff specialist/consultant in ophthalmology is open at the specialist outpatient clinic at a University Hospital in Norway.

The specialist outpatient clinic is composed of various disciplines; ophthalmology, dermatology, neurology, rheumatology and otorhinolaryngology.

### Tasks:

- Examination and treatment of children and adults with eye diseases
- Injection treatment for retinal diseases
- Argon laser treatment of eye diseases

The candidate will be expected to:

- Have good work capacity and a desire to work
- Have the ability to work well in small teams
- Argon laser treatment of eye diseases
- Be positive in finding new ways to operate the specialist outpatient clinic. The goal is to constantly improve patient care.
- Work well with other departments

## Hospital 2:

A vacancy as a staff specialist/consultant at the ophthalmology outpatient clinic is open at a public hospital in Norway.

The hospital is divided into several divisions. The division where the doctor will be placed treats approx. 150 000 patients annually, and has about 1 600 employees.

The ophthalmology departments are administratively merged. Both departments have great operative and outpatient clinic, a good professional level, suitable equipment and a good working environment. The candidate will be placed in the outpatient clinic, which has 4 consultants and one junior doctor.

## We offer:

- Permanent contract after six months.
- Training courses within working hours.
- Help to find: apartment, school and kindergarten.
- Study tour to Norway after a first interview, to learn more about the region and the work environment.
- Assistance with removal and relocation costs.
- Intensive Norwegian course, also for partner.
- A scholarship for the Norwegian course of 700 EUR monthly net, a supplement for children of 70 EUR monthly net, free apartment and travel costs for the family.

## Requirements:

- Specialist exam in ophthalmology.
- Experience as an ophthalmologist.
- Ability to complete the Norwegian intensive course
