

Job offer for Specialist in Radiology in Norway

A vacancy as a staff specialist/consultant in radiology is open in a public hospital in the south of Norway. The position is open at the department of radiology, which has divisions in several geographical locations. The candidate will report directly to the Head of the section.

Tasks:

Assess radiological images and dictate radiological response reports.
Perform radiological procedures such as ultrasound, fluoroscopy examinations and interventions.
Actively contribute and participate in the department's educational program and meeting schedule.
Have an independent responsibility when it comes to continuing education.

We offer:

- Permanent contract after six-month trial period.
- Salary starting from 5000 euro net per month. Duties, if there will be, will be paid apart.
- Training courses within working hours.
- Help to find: apartment, school and kindergarten.
- Invitation to study tour to Norway after a first interview, to learn more about the region and the work environment.
- Assistance with removal and relocation costs.
- Free intensive Norwegian course, also for the family.
- Remuneration during the Norwegian language course of 700€ monthly net, a supplement for children of 70€ monthly net, free apartment and travel costs for the family.

All the services of MediCarrera are free of charge for the candidates.

Requirements:

- Specialist title in radiology.
- Availability to complete the free Norwegian intensive course.
