

Staff specialist in psychiatry in Denmark

A vacancy as a staff specialist in psychiatry is open in a regional hospital in Denmark. The hospital is looking for a broadly educated specialist in Psychiatry.

The department:

We are looking for a new colleague in our department for Trauma and Torture Survivors.

We have a very specialized function for the treatment of veterans with PTSD and regional function for traumatized refugees and immigrants with PTSD.

We offer specialized, differentiated evaluation and treatment.

We are looking for a doctor with:

- Broad general psychiatric experience
- Experience with trauma and torture survivors and / or experience with depression and anxiety disorders
- With the desire to create networks and collaboration across our collaborative interfaces
- Who is not afraid to step into a field where other languages and cultures "disturbs" the usual way of thinking and can be an important part of the diagnostic investigation.

The hospital offers:

A great opportunity to grow professionally. Good and deeply committed colleagues with different professional backgrounds. Working in informal work environment. The department is organized in multidisciplinary teams consisting

MediCarrera
